

understanding poverty

Poverty Isn't Just About Money

Poverty means lacking what is needed to thrive. In the second column give an example of what poverty might look like for each area of life.

Relationships	
Spiritual	
Emotional health (the ability to identify your emotions, manage your emotions, and cope with stress)	
Physical Health	
School/career	
Finances	

What is one thing you can do to improve each area?

What will it take to make progress in each area?

What does the video say about hard work and planning?

What are some success myths?
